

SELF ASSESSMENT SHEET

This is for your own use, no need to submit. Start by checking if you have provided to the assessor the following information:

Have you checked the following:	YES	NO So fix it...	Notes
I have read and fully understand the assessment brief and the learning outcomes required to pass.			
In my introduction I have provided a rationale that lets the reader know what to expect in the online article			
I have researched from a wide range of sources . This includes journals, reputable sources and academic sources.			
Throughout the submission I have applied these sources to support my claims and to help with the conclusions.			
My written work has been proof-read . I have checked for accuracy of grammar, spelling and terminology.			
I have used appropriate and consistent, referencing in my writing and in the list of references. APA Referencing Guidance: https://libguides.coventry.ac.uk/apa			
Have I made use of the Student Academic Skills Services ? https://libguides.coventry.ac.uk/c.php?g=699434			
Have I spoken to my tutor ?			
I have not exceeded, the expected word count of 1,000 words (give or take 10%).			
I have read the assessment criteria to ensure I do not miss out on any possible marks.			
I have taken care with my general presentation and layout of the assignment			
I have checked that I met the learning outcomes in the submission and read the question fully to ensure that I am meeting the requirements.			

Any other supporting evidence you wish to highlight or revisit prior to submitting on the final deadline date? Add to your notes...
