Assignment Information

Module Name: Communication and Collaborative working

Module Code: 402MAN

Assignment Title: A reflective personal blog on successful communication and collaboration

Assignment Due: Friday 28th March 2025 at 18:00 GMT

Assignment Credits: 10 credits

Word Count (or equivalent): 1500-word self-reflection [+/- 10%]

Assignment Type: Percentage Grade (Applied Core Assessment). You will be provided with an overall grade between 0% and 100%. You have one opportunity to pass the assignment at or above 40%. Resit attempts will be capped at 40%.

Assignment Task

You are a junior content creator for the CMI Members Magazine and have been tasked with creating a **1500-word (+/-10%) reflective blog** for publication in the next edition of the magazine. Using Driscoll Model of Reflection and The Post Office as a case study, you should reflect on the communication and collaboration which took place with their appointed partner, Fujitsu.

- You should include key academic theories and principles within your blog (LO1).
- You should also reflect on your own interpersonal, communication and collaborative skills to identify areas you would have acted different, and areas which you could improve because of this reflective blog (LO2).

Submission Instructions:

Assignments should be submitted via AULA, through the Group Wide submission link.

Assignments should be submitted in a Microsoft Word format and not in PDF format.

All assignments should be submitted on or before the assignment deadline detailed above and on the AULA submission link.

Marking and Feedback

How will my assignment be marked?

Your assignment will be marked by the module team.

How will I receive my grades and feedback?

Provisional marks will be released once internally moderated.

Feedback will be provided by the module team alongside grades release. Your feedback will be available through AULA, alongside your original submission.

Your provisional marks and feedback should be available within 2 weeks (10 working days).

What will I be marked against?

Details of the marking criteria for this task can be found at the [bottom of this assignment brief](#).

Assessed Module Learning Outcomes

The Learning Outcomes for this module align to the [marking criteria](#) which can be found at the end of this brief. Ensure you understand the marking criteria to ensure successful achievement of the assessment task. The following module learning outcomes are assessed in this task:

Learning Outcome 1: Demonstrate a knowledge of the core principles, theories and differing methods of communication and collaboration within a range of organisational contexts.

Learning Outcome 2: Reflect upon their own interpersonal, communication and collaborative skills and identify areas for improvement.

Assignment Support and Academic Integrity

If you have any questions about this assignment, please see the [Student Guidance on Coursework](#) for more information.

Spelling, Punctuation, and Grammar:

You are expected to use effective, accurate, and appropriate language within this assessment task.

Academic Integrity:

The work you submit must be your own, or in the case of groupwork, that of your group. All sources of information need to be acknowledged and attributed; therefore, you must provide references for all sources of information and acknowledge any tools used in the production of your work, including Artificial Intelligence (AI). We use detection software and make routine checks for evidence of academic misconduct. [Further details in relation to the use of AI will be discussed in your lectures with the tutors.](#)

Definitions of academic misconduct, including plagiarism, self-plagiarism, and collusion can be found [on the Student Portal](#). All cases of suspected academic misconduct are referred for investigation, the outcomes of which can have profound consequences to your studies. For more information on academic integrity please visit the [Academic and Research Integrity](#) section of the Student Portal.

Support for Students with Disabilities or Additional Needs:

If you have a disability, long-term health condition, specific learning difference, mental health diagnosis or symptoms, and have discussed your support needs with health and wellbeing, you may be able to access support that will help with your studies.

If you feel you may benefit from additional support, but have not disclosed a disability to the University, or have disclosed but are yet to discuss your support needs, it is important to let us know so we can provide the right support for your circumstances. Visit [the Student Portal](#) to find out more.

Unable to Submit on Time?

The University wants you to do your best. However, we know that sometimes events happen which mean that you cannot submit your assessment by the deadline or sit a scheduled exam. If you think this might be the case, guidance on understanding what counts as an extenuating circumstance, and how to apply is [available on the Student Portal](#).
